How you can help

Thank You

Your involvement however big or small is instrumental in ensuring the continuity and growth of our PTA's activities.

You don't need loads of time or experience just a bit of enthusiasm and a willingness to pitch in now and again.

It's all about building friendships, supporting the school community and seeing our children benefit from our efforts.

The more hands we have, the lighter the load and the more fun we can have. Thank you for your continued support.

Mrs Bradshaw
